

# Members Session

**Daniel Elkins**

Development Director & Treasurer

## Members' Event

# Outline of this session

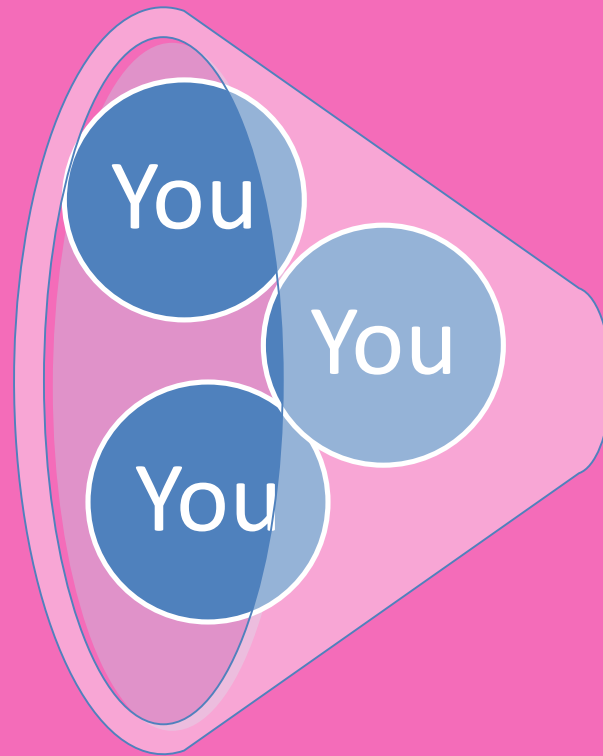

- ❖ You have heard from our speakers.....  
now it is time to hear from you.
- ❖ As Individual Members of HPMA,

**what do you want  
HPMA to do to?**

# Some Context

## Direction & Purpose

### HPMA's Direction:-

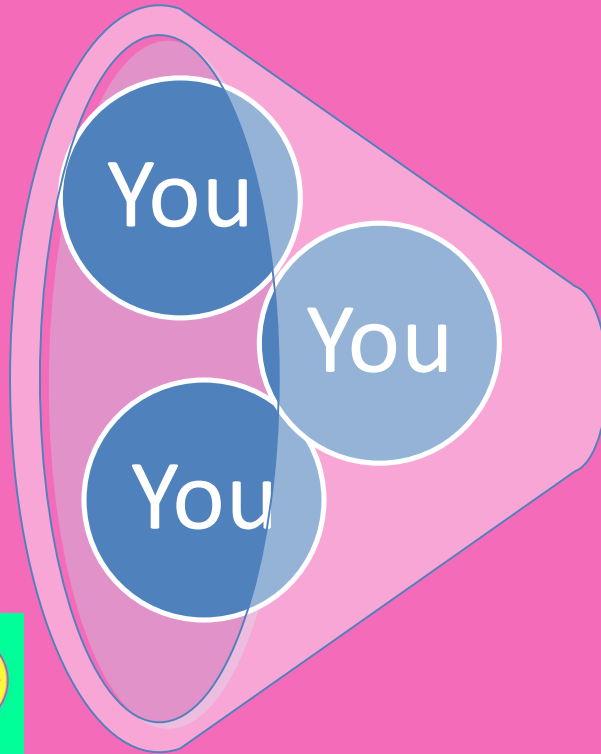

- Charitable Objects
- Vision – *Improving health through people*
- Strategy – Networks, Development & Excellence

### HPMA's Boundaries:-

- Health and Care sectors
- Rules & Byelaws
- Limited resources – need value proposition

# Some Context

**Direction & Purpose**

# Task – consider just 2 questions

- ❖ **Question 1: How could HPMA develop further and faster on its current path:-**
  - ❖ What national events would you like to see?
  - ❖ How would you like your branch to develop?
  - ❖ What additional research could HPMA be leading? What partnerships would you like HPMA to develop?
  
- ❖ **Question 2: How could HPMA help tackle the top People and OD challenges facing our sector?**
  - ❖ E.g. stress at work, bullying & harassment, workforce shortages, etc.
  
- ❖ **Question 3: Any other ideas about what HPMA should be doing?**

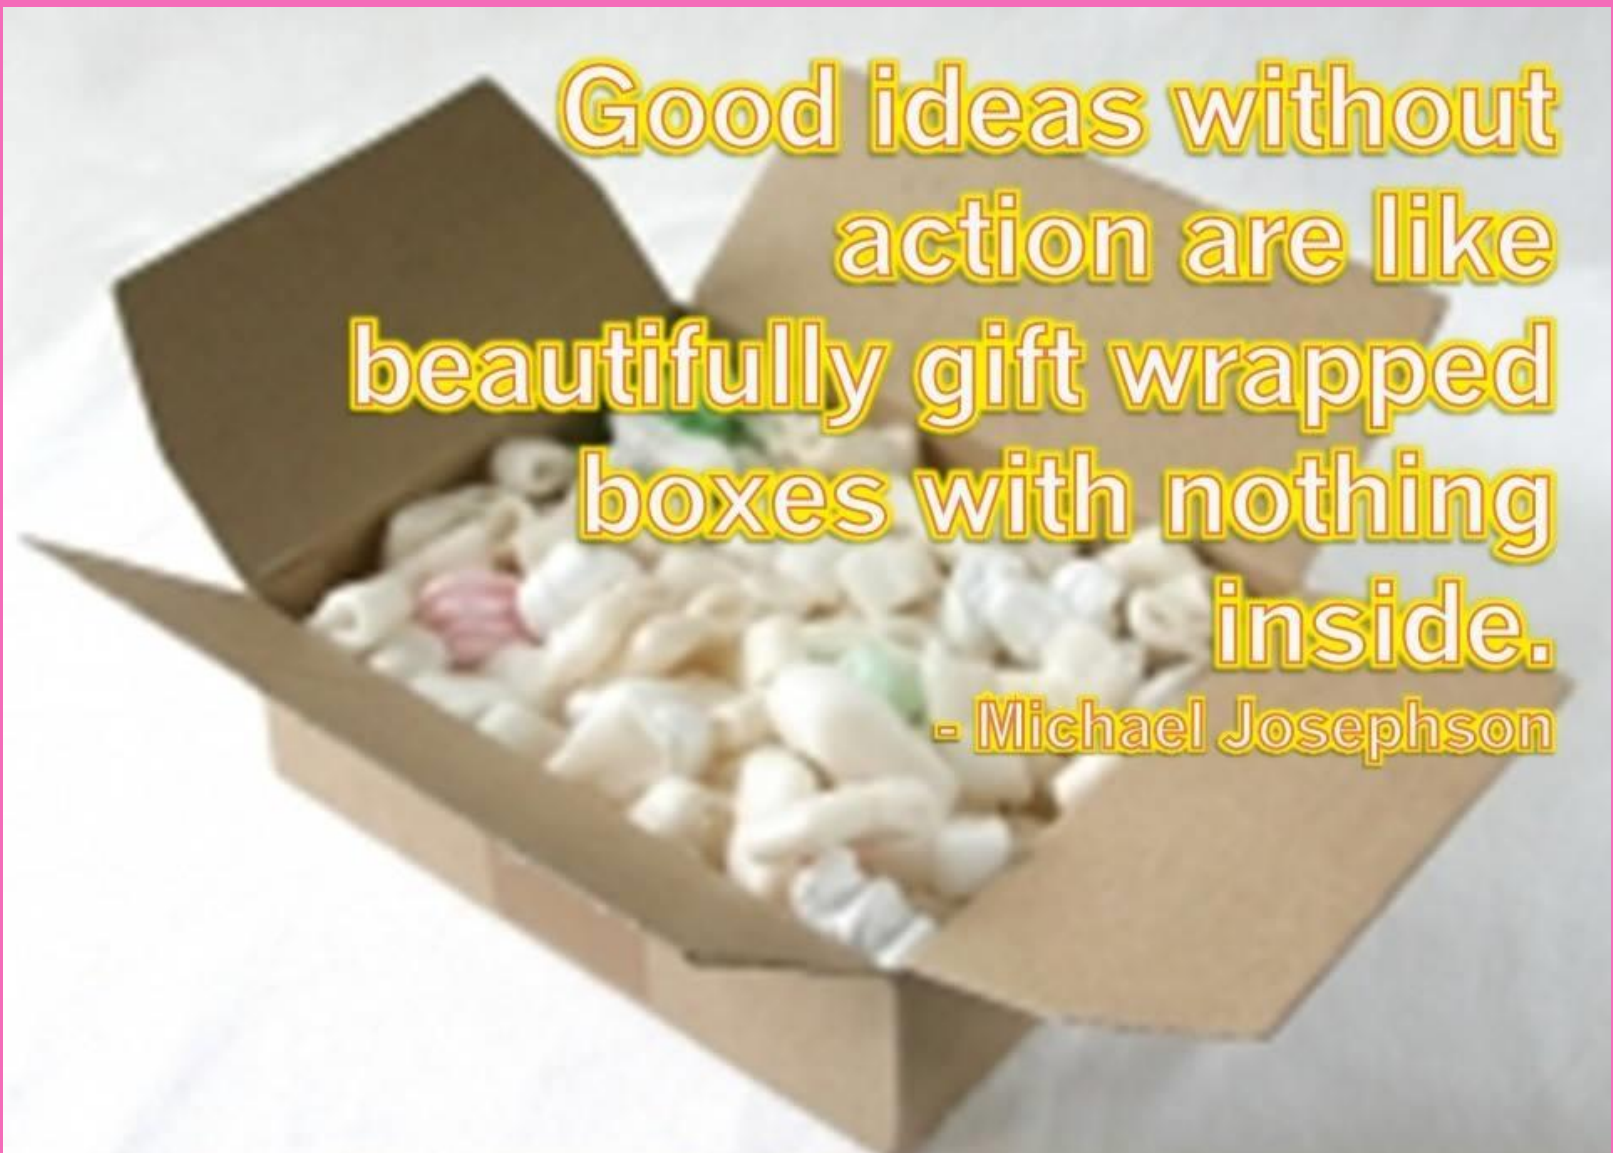

**“IDEAS WITHOUT  
*ACTION*  
ARE WORTHLESS.”**  
Harvey Mackay

**Vision without  
action is daydream**

.....

**Action without  
vision is nightmare**

An open cardboard box is shown from a high angle, filled with white packing peanuts. The box is empty of any other contents, illustrating the concept of an idea without action.

Good ideas without  
action are like  
beautifully gift wrapped  
boxes with nothing  
inside.  
- Michael Josephson

- ❖ Please write down 5 things that you are going to take away from today's event and WILL action

**Thank you  
for your attention and  
participation**

# Closing Address

**Members' Event**

# Requests

- ❖ Please support all the local and national events that HPMA is putting on. Every attendance is one step closer to HPMA's vision.
- ❖ Please get involved in your branch committees. It is a networking and development opportunity and provides all the energy for the HPMA.
- ❖ Please encourage others to join and make the most out of HPMA. We are building as fast as we can to satisfy all members wants and needs.

# Farewell

**Thank you and safe journey**
