### Thank you to our supporter

### Ever wondered what OD actually is? How does it work? What use is it to anyone?

Now's your chance to find out. This workshop will use OD methodology to explain in plain terms the what, why and how of OD. And maybe even a bit of wow too.

Come along to the workshop to:

- learn about the values and principles of OD
- try out some OD tools and techniques
- explore and challenge some of the myths about OD
- discover how to get the most out of the HR / OD relationship

**Paul Taylor** created and leads Do OD, the national expert resource on OD for the NHS. Paul has worked in the field of OD for many years (sometimes without even knowing it) in the NHS, Local Government and the private sector. Paul is passionate about demystifying OD and helping people understand how to harness its power. Paul is a member of CIPD, has a degree in Psychology and a Masters in HR Leadership. You can chat with Paul on Twitter @NHSE\_PaulT where he shares too much.

The Healthcare People Management Association (HPMA) is a UK-wide association for healthcare HR & OD professionals and aims to enable the delivery of high impact HR in the NHS, by improving the capability, practice and impact of HR & OD practitioners in healthcare.
